Warrant for Town Meeting

Oxford ss.

State of Maine.

To W. P. Hayford, Constable of the town of Hartford, County of Oxford, Greeting:

In the name of the state of Maine you are required to notify and warn the inhabitants of said town of Hartford qualified by law to vote in town affairs, to assemble at the town hall in said town on Monday, the 4th day of March A. D. 1907 at 10 o'clock in the forenoon, to act on the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To see if the town will vote to accept the report of the several town officers.

Art. 3. To choose all necessary town officers for the ensuing year.

Art. 4. To see if the town will grant and raise such sums of money as may be necessary for the maintenance and support of schools, the poor, repairs of roads and bridges and to defray all other town charges for the ensuing year.

Art. 5. To see if the town will vote to maintain a school in the Line schoolhouse for the ensuing year.

Art. 6. To see if the town will vote to authorize the school committee to unite with any of the adjoining towns in the election of Superintendent of Schools, and to raise money for the same.

Art. 7. To see what the town will do about preparing to fight the brown-tail moths.

Art. 8. To see what action the town will take in relation to laying out a town road from the corner near A. N. Merrill's to the L. W. Thompson house as asked for in Petition of A. N. Merrill and others.

Art. 9. To transact any other business that may legally come before said meeting.

The Selectmen will be in session for the purpose of revising the list of voters at the town hall at 9 o'clock in the forenoon of the day of said meeting.

Given under our hands at Hartford, this 18th day of February, A. D. 1907.

Warrant for Town Meeting

Oxford ss.

State of Maine.

To Wm. P. Hayford, Constable of the town of Hartford, County of Oxford, Greeting:

In the name of the state of Maine you are hereby required to notify and warn the inhabitants of said town of Hartford qualified by law to vote in town affairs, to assemble at the town hall in said town on Monday, the 9th day of March A. D. 1908 at 10 o'clock in the forenoon to act on the following articles, to wit:

Art. 1st. To choose a Moderator to preside at said meeting.

Art. 2d. To see if the town will vote to accept the report of the several town officers.

Art. 3rd. To choose all necessary town officers for the ensuing year.

Art. 4th. To see if the town will grant and raise such sums of money as may be necessary for the maintenance and support of schools, the poor, repairs of roads and bridges and to defray all other town charges for the ensuing year.

Art. 5th. To see what action the town will take in relation to procuring rollers to break roads in winter.

Art. 6th. To see what action the town will take in relation to erecting flags on schoolhouses.

Art. 7th. To see if the town will vote to discontinue the old Reynolds road so called leading easterly from the main road between Mrs. C. M. Francis' and E. E. Piper's.

Art. 8th. To see if the town will choose three men to take a general valuation of the real estate and get a legal description of the same.

Art. 9th. To see if the town will raise a certain amount of money to procure covering stones for some of the culverts and small bridges and make arrangements for the same.

Art. 10th. To see if the town will vote "yes" or "no" upon the adoption of the provisions of Chapter 112 of the Public Laws of Maine, for the year 1907, relating to the appropriation of money necessary to entitle the town to State aid for highways for the year 1908.

Art. 11th. To see if the town will raise, appropriate and set apart for the permanent improvement of the main highways within the town, such sum of money as is contemplated and directed by Section 5 of Chapter 112 of the Public Laws of Maine for the year 1907, being the sum of \$48.

Art. 12th. To see if the town will vote to authorize its superintending school committee to join with other towns for the purpose of employing a Superintendent of Schools in accordance with the provisions of Sections 40 to 45 inclusive, of Chapter 15 of the Revised Statutes.

Art. 13th. To see if the town will vote to convert the unexpended balances of the high school accounts to the use of the common schools.

Art. 14th. To see if the town will vote to maintain the Glover school for the ensuing year.

Art. 15th. To see what action the town will take in relation to fighting brown tail moths.

Art. 16th. To see if the town will vote to accept the list of jurors as revised by the Selectmen, Clerk and Treasurer.

Art. 17th. To see if the town "agreeable to an amendment of Section 13 of Chapter 4 of the Revised Statutes by the last legislature" will vote to elect a road commissioner for the term of three years.

Art. 18th. To see if the town will vote to grant a discount or levy an interest on taxes and if so to fix the dates and amounts.

Art. 19th. To see if the town will vote to have all winter road work turned on taxes.

Art. 20th. To see if the town will vote to pay Edwin Howard for one sheep and one lamb that he claims were killed by dogs.

Art. 21st. To transact any other business that may legally come before said meeting.

The Selectmen will be in session for the purpose of revising the the list of voters at the town hall at 9 o'clock in the forenoon of the day of said meeting.

Given under our hands at Hartford this 17th day of February,
A. D. 1908.

School Report

To the Superintending School Committee of the town of Hartford:—

GENTLEMEN:—I herewith submit to you, and through you to the citizens of Hartford, the school report for the year ending Feb. 6, 1909. The work of the schools for the past year has been completed in a satisfactory manner. Our teachers have been capable, conscientious and hard working. The parents should keep in touch with the school work of their children from day to day and not throw too much of the responsibility upon the teacher and the school system. Beginning with the spring term we plan to have a "Visitation Day" once each term at each school and I hope the parents will feel it a duty to visit us on that day and feel free to talk over all school questions. The closer the public keeps in touch with its servants, the better results are obtained.

The question of grading is a subject of great importance and we hope to have a graded system established during the spring term. This must be flexible to a great degree. A large part of the pupils are well fitted in arithmetic but a large percentage of them lack in grammar.

The attention of the citizens is specially called to attendance. Do not expect your boy or girl to do a week's work in three or four days. The attendance at two of our schools has been very low and many of the children must fall behind if continued through the year.

In conclusion, I wish to thank you, the members of the school board, for the kindly consideration you have given to all matters presented, for the work that you did for me when I first came among you, and for your hearty support in my work. To the teachers, pupils and the citizens in general my thanks are extended for help and kind words of appreciation.

Respectfully submitted,

ISAAC A. SMITH, Superintendent.

School Report

To the Superintending School Committee of the town of Hartford:—

GENTLEMEN:—I herewith submit to you and the citizens of Hartford the school report for the year ending Feb. 11, 1910. We have completed a school year of twenty-nine weeks. I hope we may have no shorter school year in 1910. Thirty weeks of school with a six-hour school day is the same as the city school year of thirty-six weeks with a five-hour school day. Therefore we have given the scholars of Hartford for the past year almost as many school hours as the city schools afford.

We shall receive more money next year from the State, so that six hundred dollars (\$600.00) from the town of Hartford should, with this year's balance, give us sufficient common school money for next year.

We have ordered flag poles for all of the schools, so that the stars and stripes may float above the heads of all our pupils in 1910.

In conclusion, I wish to thank the members of the School Board for their help and advice during the year; the teachers and pupils for their support and co-operation, and the citizens for their help and kind words of appreciation. With your hearty support in the year to come we hope to make some improvement.

Respectfully Submitted,

ISAAC A. SMITH, Superintendent.

G. A. HOLMES,		
P. C. BARKER,		

YOU LIKE to wear clothes that are becoming to you ; and we like to see you get such clothes. **Hart Schaffner & Marx** make the kind of clothes you ought to wear and we sell them. The fabrics are all wool ; in style, tailoring and fit they're all right. It's just as important to us to see that you get the clothes you ought to have, as it is to you. We can't afford to make any mistakes in your suit or overcoat ; we want you satisfied. We know these clothes will do it.

Report of the Superintendent of Schools

TO THE SCHOOL COMMITTEE OF HARTFORD:

The following annual report of the public schools of Hartford is respectfully submitted for your consideration. We have completed a school year of thirty weeks and I am pleased with the work of both pupils and teachers.

New language books have been introduced and the pupils are now doing better work in that study. A few more copies of the new book should be purchased in the spring. We are in need of new geographies and histories next year. The present geographies were purchased years ago and are now incorrect.

Three of the school buildings should be painted in the spring and one new stove is needed. About one hundred dollars and the unexpended balance from this year will be needed for repairs next year.

Two of the small schools should be closed and the children conveyed to larger schools. Usually there is not the interest shown by pupils in the small class that they will show when placed in a larger class.

In closing I wish to thank the members of the board for their help and kindness. I also wish to thank the pupils, teachers and citizens for the interest they have shown in the schools.

Respectfully submitted,

ISAAC A. SMITH, Superintendent.

Warrant for Town Meeting.

Oxford, ss.

State of Maine.

To C. H. Berry, Jr., Constable of the town of Hartford, County of Oxford, Greeting:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said town of Hartford qualified by law to vote in town affairs, to assemble at the town hall in said town on Monday, the sixth day of March A. D. 1911, at 10 o'clock in the forenoon, to act on the following articles, to wit:

Art. 1st. To choose a Moderator to preside at said meeting.

Art. 2nd. To see if the town will vote to accept the report of the several town officers.

Art. 3d. To choose all necessary town officers for the ensuing year.

Art. 4th. To see if the town will grant and raise such sums of money as may be necessary for the maintenance and support of school, the poor, repair of roads and bridges, and to defray all other town charges for the ensuing year.

Art. 5th. To see if the town will vote to maintain the Line school for the ensuing year.

Art. 6th. To see if the town will vote to maintain the Glover school for the ensuing year.

Art. 7th. To see if the town will vote to maintain the town farm school for the ensuing year.

Art. 8th. To see if the town will vote yes, or no, upon the adoption of the provisions of Chapter 112 of the Public Laws of Maine for the year 1907, as amended by Chapter 69, Public Laws of 1909 relating to the appropriation of money necessary to entitle the town to state aid for highways for the year 1911.

Art. 9th. To see if the town will raise and appropriate, in addition to the amounts regularly raised and appropriated for the care of ways, highways and bridges, the sum of \$400, being the maximum amount which the town is allowed to raise under the provisions of Chapter 12 of the Public Laws of Maine for the year 1907 as amended by Chapter 69, Public Laws of 1909.

Art. 10th. To see if the town will vote to have all winter road work turned on taxes.

Art. 11th. To see if the town will vote to authorize its superintending school committee to join with other towns for the purpose of employing a superintendent of schools in accordance with the provisions of Sections 40 to 45 inclusive of Chapter 15 of the Revised Statutes.

Art. 12th. To see if the town will vote to convert the unexpended balances of the insurance accounts to the use of the common schools.

Art. 13th. To see if the town will vote to accept the list of jurors as revised by the selectmen, clerk and treasurer.

Art. 14th. To see if the town will vote to establish a school and maintain the same at some convenient point in the former "Woods School District," in said town, known also as the Gurney neighborhood.

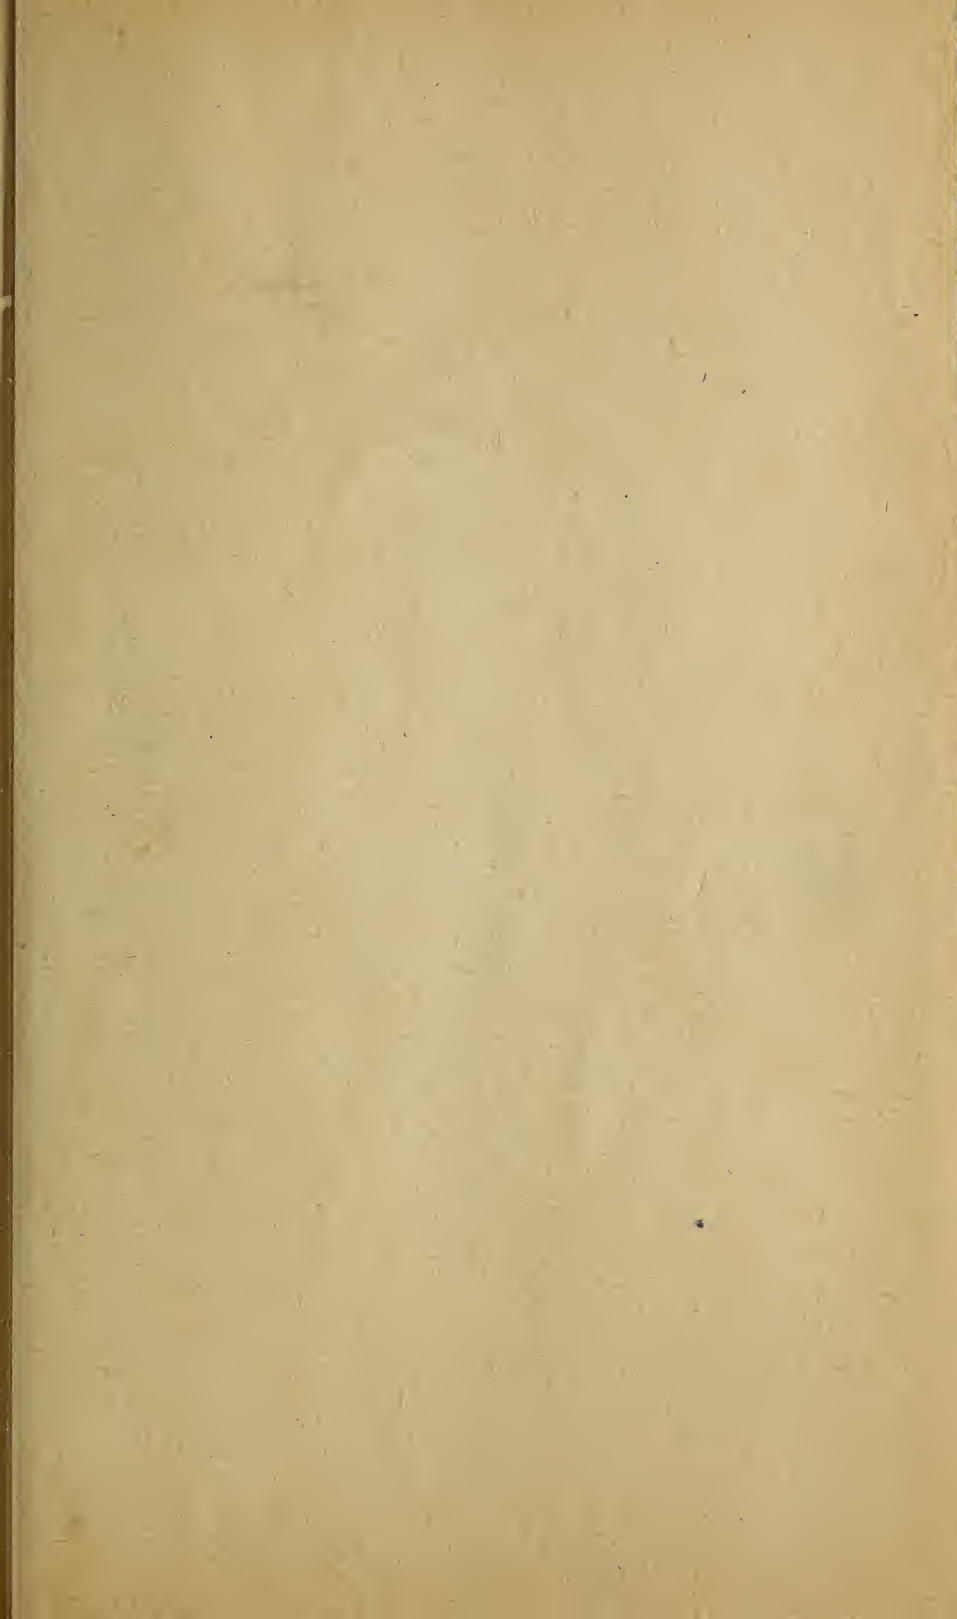

Art. 15th. To see if the town will vote to instruct the selectmen and road commissioner, if one is elected, to divide the roads of the town into sections and appoint someone to look after each section through the summer, whose duty it shall be to remove the small stones, look after ditches, keep the water from running in the road, look after all dangerous places and notify the road commissioner when very much repairs are needed.

Art. 16th. To transact any other business that may legally come before said meeting.

The Selectmen will be in session for the purpose of revising the list of voters at the Town hall at 9 o'clock in the forenoon of the day of said meeting.

Given under our hands at Hartford, this 15th day of February, A. D., 1911.

Stock, Provisions, Etc. on Town Farm—11 cows, 2 years old; 36 hens, 25 ton hay, 3 tons ensilage, 5 barrels apples, 35 bushels potatoes, 1 bushel beets, 2-3 barrel pork, 3 bushel beans, 44 cans preserves, 10 pounds butter.

Inmates of Almshouse for the past year—Walter Lucas, age 62; Hannah Leighton, age 88; Guy Ames, age 38.

REMARKS:—The farm for the past year, under the care of Mr. and Mrs. F. R. York, has been kept in excellent order both in the house and outside, the inmates receiving the best of care. Their earnest endeavors to make a profitable showing have been fully appreciated. Although the balance shows against the farm this year, this is not due to any negligence on their part, but rather to the unfortunate loss of two cows and several extra bills such as insurance, doctors, undertakers, etc. However, taking into consideration the fact that we have two more cows than last year, the difference will make the balance in the farm's favor.

We consider the Town very fortunate in being able to retain Mr. and Mrs. York for the ensuing year.

Report of Superintendent of Schools

To the Superintending School Committee of Hartford—

Gentlemen:—The following Annual report of the public Schools of Hartford is respectfully submitted for your consideration.

Nearly all of our schools show good progress in the past year due to the efforts of able teachers, the interest the pupils have shown in their work, and the increasing support of the parents and citizens. Teachers can not do good work without the support of the parents, and I wish that more fathers and mothers would visit our schools.

During the year the following improvements have been accomplished:—

Two excellent twelve inch globes have been placed in the schools, new language books have been introduced in the schools where they were not provided last year, new flags have been placed on the school houses in the Union, Tyler Corner, and Center districts, book covers have been provided for the new books. For many obvious reasons our rural schools should be consolidated. In accordance with this two of the smaller schools have been closed during the year. Later on, if it seems advisable a plan will be presented whereby all or nearly all of our schools can be combined.

Among the improvements to be undertaken the next year are the following:—

New geographies should be bought for all of the schools. Several of the schools should be supplied with new dictionaries. At least one more globe should be bought, and two of the school houses should be repainted.

In conclusion I wish to thank the members of the school board for your help and advice and for the interest shown in all school matters presented. My thanks are also due to the teachers and pupils for their hard and conscientious work. To the citizens my thanks are extended for your many kind words and deeds, and the interest you have shown in the schools.

Respectfully submitted,

MERLE A. STURTEVANT, Superintendent

Warrant for Town Meeting

Oxford, ss.

State of Maine.

To Wm. P. Hayford, Constable of the town of Hartford,
County of Oxford, Greeting:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said town of Hartford qualified by law to vote in town affairs, to assemble at the town hall in said town on Monday, the fourth day of March A. D., 1912, at 10 o'clock in the forenoon, to act on the following articles, to wit:

Art. 1st. To choose a Moderator to preside at said meeting.

Art. 2nd. To see if the town will vote to accept the report of the several town officers.

Art. 3d. To choose all necessary town officers for the ensuing year.

Art. 4th. To see if the town will grant and raise such sums of money as may be necessary for the maintenance and support of schools, the poor, repairs of roads and bridges, and to defray all other town charges for the ensuing year.

Art. 5th. To see if the town will vote to maintain the Line school for the ensuing year.

Art. 6th. To see if the town will vote to maintain the Glover school for the ensuing year.

Art. 7th. To see if the town will vote to maintain the Town farm school for the ensuing year.

Art. 8th. To see if the town will vote yes, or no, upon the adoption of the provisions of Chapter 112 of the Public Laws of Maine for the year 1907, as amended by Chapter 69, Public Laws of 1909 relating to the appropriation of money necessary to entitle the town to state aid for highways for the year 1912.

Art. 9th. To see if the town will raise and appropriate in addition to the amounts regularly raised and appropriated for the care of ways, highways and bridges, the sum of \$400, being the maximum amount which the town is allowed to raise under the provisions of Chapter 112 of the Public Laws of

Maine for the year 1907 as amended by Chapter 69, Public Laws of 1909.

Art. 10th. To see if the town will vote to have all winter road work turned on taxes.

Art. 11th. To see if the town will vote to instruct the Selectmen and Road Commissioner to divide the roads of the town into sections and appoint someone to look after the same according to Art. 15th in Town Warrant of 1911.

Art. 12th. To see if the town will vote to open that section of old county road, recently discontinued, on Bear Mountain, as petitioned the Selectmen.

Art. 13th. To see what action the town will take in regard to procuring snow rollers.

Art. 14th. To see if the town will vote to maintain the Mountain school for the ensuing year.

Art. 15th. To see if the town will vote to raise the amount of the overdraw on the State Road account.

Art. 16th. To see if the town will vote to convert the unexpended balance of the Stone culvert account to the use of Metal culverts.

Art. 17th. To see how much the town will vote to pay the Road Commissioner per day.

Art. 18th. To transact any other business that may legally come before said meeting.

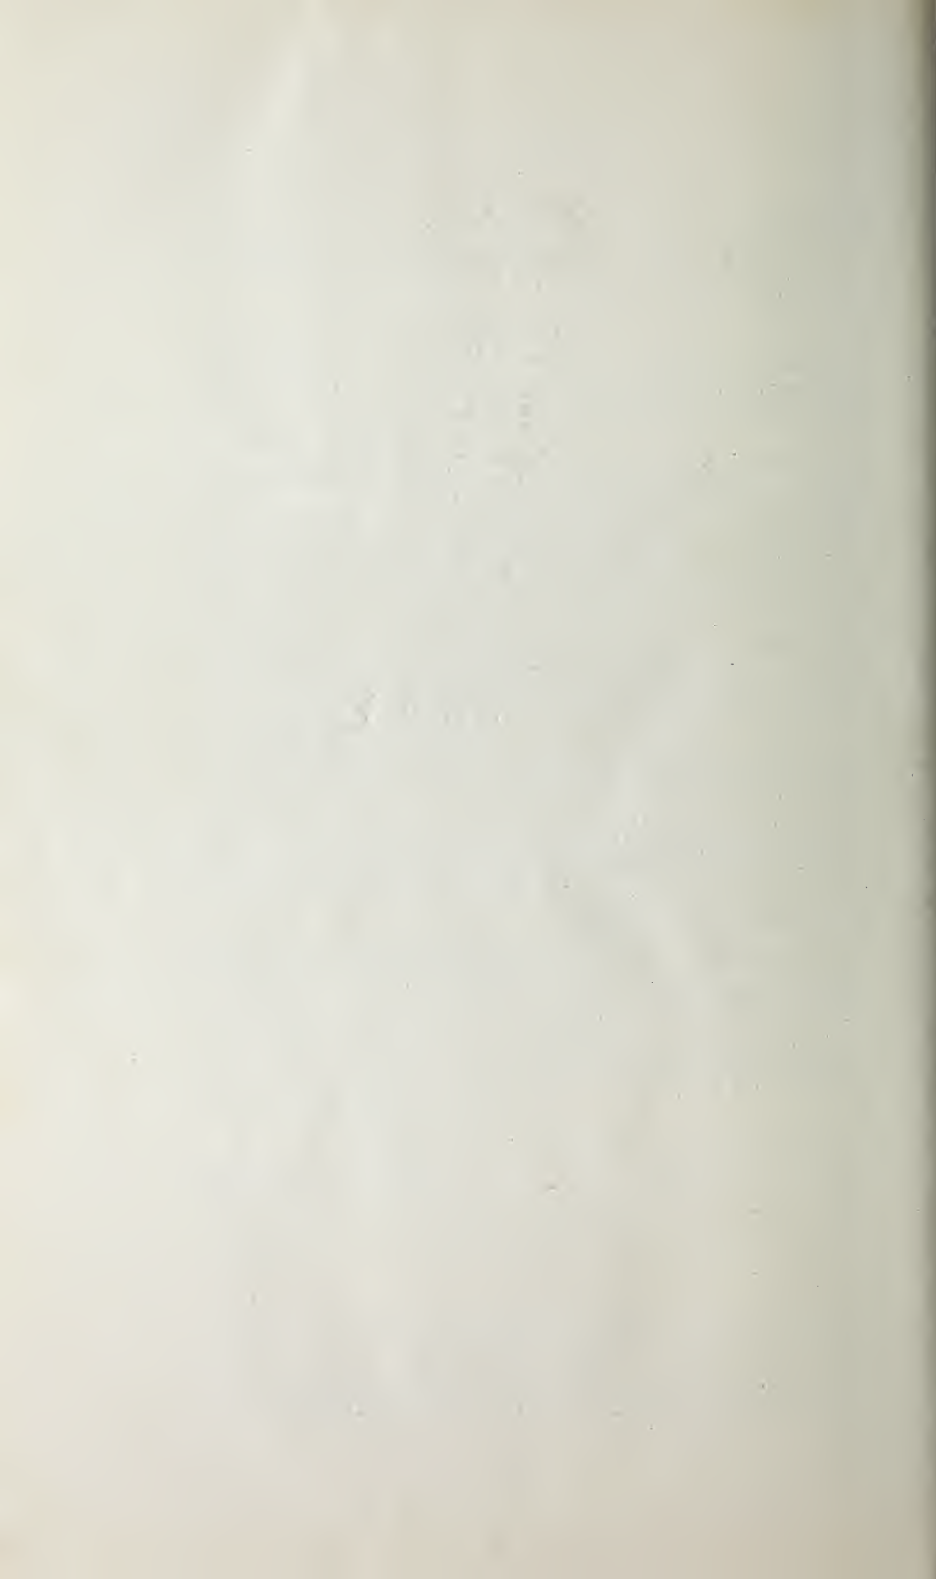

The Selectmen will be in session for the purpose of revising the list of voters at the Town hall at 9 o'clock in the forenoon of the day of said meeting.

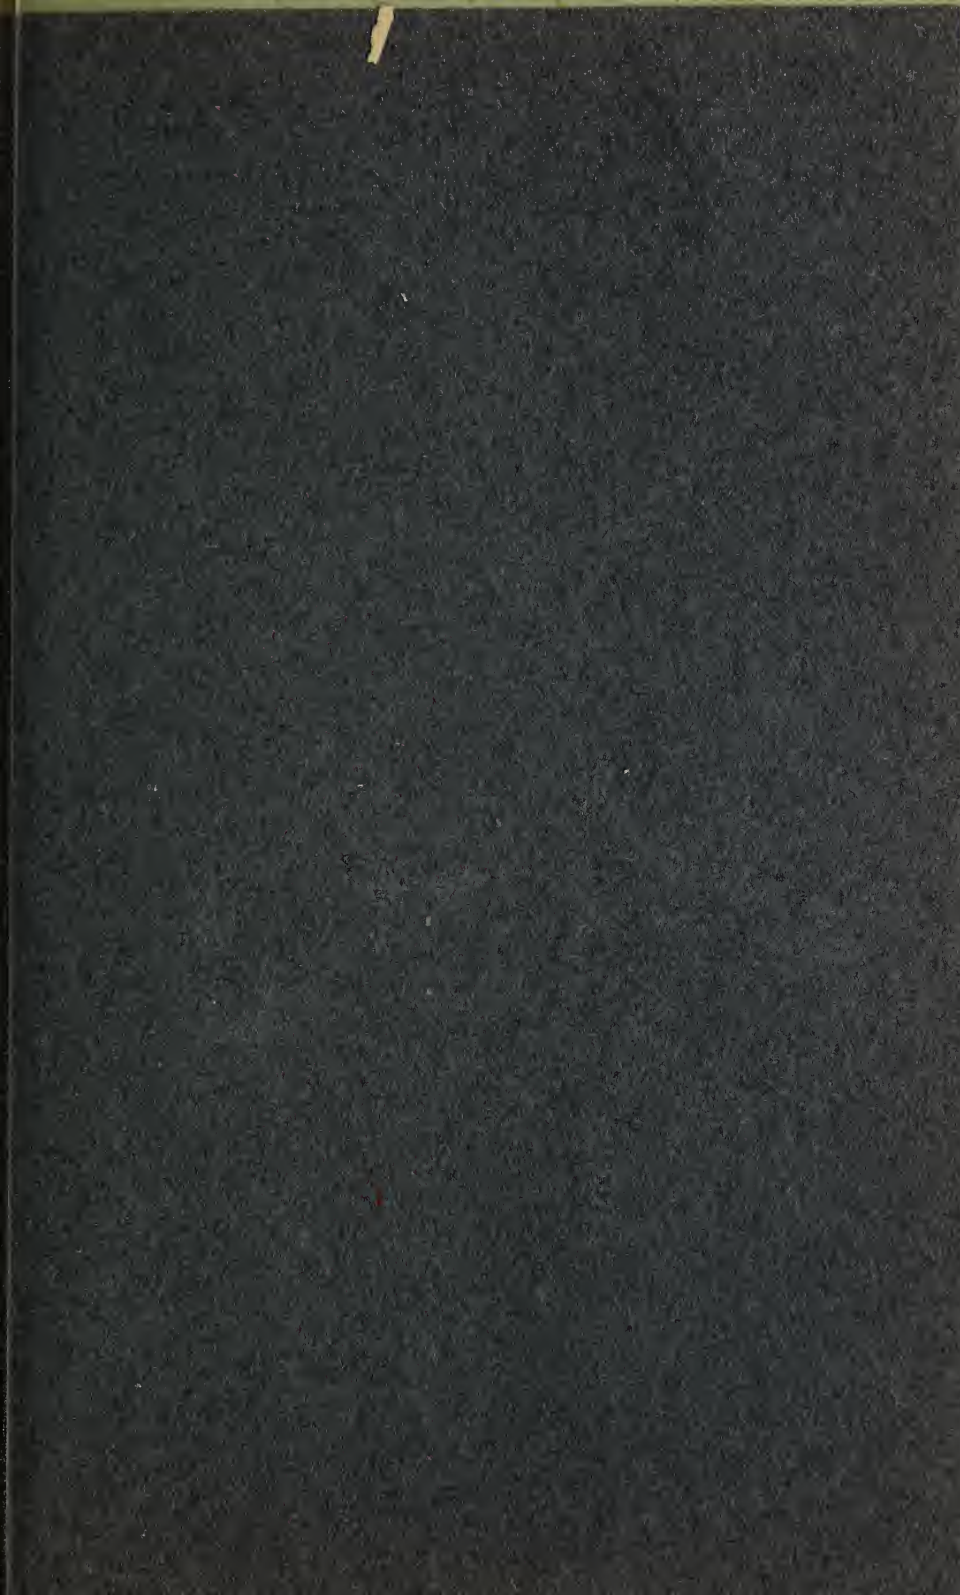

Given under our hands at Hartford, this 15th day of February, A. D., 1912.

E. D. WATERHOUSE,
W. L. LIBBY,
O. E. HARDY,
Selectmen of Hartford.

Report of the Superintendent of Schools

For the second time I submit to you and through you to the town, the annual school report. The work of the schools for the past year has been completed in a satisfactory manner and in nearly all cases our teachers have proved to be capable, conscientious, and hard working. It will be seen from the general report below that the average wages of your teachers have been increased during the year and it has been possible to secure for nearly all of the schools experienced teachers, and several of these teachers have had a partial course in a normal school. This increase in wages paid to teachers and increase in conveyance has resulted in the shortening of the school year by one week.

It will be seen that the amount expended for conveyance is somewhat larger than last year. It should be remembered however, that one less school has been run than last year, (the Line) and that out of the conveyance money the town has bought and now owns two substantial conveyance wagons.

From the repair account the Center schoolhouse has been newly painted, new blackboards provided and other needed repairs made. The Union school-house has been painted both outside and inside, and papered. It is hoped next year to paint and repair the Line school and paint the Tyler Corner schoolhouse, also remodel the outhouse at the Center. This is practically the only outhouse of its kind where school is run in the District and should have been changed before.

It will be noticed that a special appropriation is asked for by the school committee. It is planned to use this heater in one of the larger schools, presumably the Union school. Two of these jacketed stoves have been installed in the district and certainly do all and more than is claimed for them. A system of this kind is superior to stove heat for several reasons, among them the following might be mentioned:

1. Heats the WHOLE room quickly.
2. Supplies plenty of warm, FRESH air, taking new air constantly from out doors, warming it and sending it all over the room.

3. Removes the cold air through a special ventilating flue running into the chimney at the same place as the smoke funnel. This is the air that is ordinarily breathed over and over again.

4. Warms the floors.

5. Cannot roast persons near it.

6. Guaranteed to heat the whole room at an even temperature of 70 degrees in the coldest weather. This guarantee is in writing.

7. Is economical in fuel.

8. Prevents headaches, colds, and the spread of contagious diseases.

9. Furnishes a healthful, delightful atmosphere in which to work.

From the text-book account new geographies have been placed in part of the schools and should be bought for the others next year. Quite a few new histories have been bought as well as new readers, and arithmetics. Several new dictionaries have been bought this year and one new globe. It is planned to provide one more of these next year for the Whiting school.

GENERAL REPORT FOR DISTRICT.

The tendency in nearly all growing school systems, at present, especially in the State of Maine, is towards better trained and more experienced teachers and towards better pay for these teachers. During the past two years the average wages of the teachers in the rural schools in the district have been increased. (Figures are for pay per week.)

Average Wages, 1911, district, \$7.50.

Average for 1912, \$8.24.

Increase, \$.74.

It is believed that the increase in pay has resulted in increase of service.

Among the thirty-six different teachers employed in the rural schools during the past year all but six had previous experience in teaching, and the following have had a partial or full course of normal training:

Edith DeCosta, Marie Farrar, Geneva Kane, Ethel Carter, Elsie Palmer, Dicie Sturtevant, Idella Gray, Althea Stetson, Bertha Lampher, Julia Gile, Josephine Rideout, Alma Holbrook.

The following teachers hold State certificates for one or more years:

Jennie Record, Blanche Bennett, Eola Swallow, Mary Richardson Idella Gray, Josephine Rideout, Ellen Cole, Ethel Waterman, Marie Farrar, Amy Sturtevant, Rose Clark, Bertha Lampher, Alice O. Murch.

Several teachers attended the State convention at Portland; and all of the teachers from Hebron and Buckfield and nearly all from Hartford attended a rural and graded school teachers' meeting held at Buckfield, October 4, 1912. A very helpful program was arranged and many problems were discussed and valuable suggestions were made by those who took part in the program, and by the teachers. Especial thanks are due to Miss Lincoln and Miss Porter of the Farmington Normal school and Superintendent C. H. Abbott of the Turner-Canton District for their help on the program. It was voted at the meeting for the teachers to send to the superintendent of schools each week the average and per cent. of attendance of each school, and the school having the highest per cent. of attendance for the term to receive a framed certificate. This to remain in permanent possession of the school winning it three terms in succession. The certificate was won for the fall term by the Center school in Hebron. The five schools with the highest per cent. of attendance in order were as follows:

Center, Hebron.....	98.	per cent.
Academy, "	97.8	"
B. Hill, "	96.2	"
East Buckfield.....	96.2	"
Grammar, Buckfield.....	95.2	"

Six other schools finished with 90 per cent. or better as follows:—

No. 8, Hebron.....	93.9	per cent.
Glover, Hartford.....	93.	"
Primary, Buckfield.....	93.	"
North Buckfield.....	92.5	"
Nelson, Hebron.....	92.5	"
Center, Hartford.....	90.	"

For winter term:

(Some of the schools were not closed when this was written so report is given for fall term only.)

At this meeting it was also decided to call October 18, Mothers' Day and to send special invitation to mothers to visit the schools on that day. This was done and more than two hundred parents visited school on that date.

Visitation by parents at all times is certain to be helpful to the schools and the teachers are sure to feel the help that is given in this way.

In closing, I wish to thank the members of the school committee for their help and kindness. I also wish to thank the pupils, teachers, parents and citizens for the hearty interest they have shown in the schools.

Respectfully submitted,

MERLE A. STURTEVANT, Superintendent of schools.

Warrant for Town Meeting

Oxford, ss.

State of Maine.

To Wm. P. Hayford, Constable of the town of Hartford, county of Oxford, Greeting:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said town of Hartford, qualified by law to vote in town affairs, to assemble at the town hall in said town on Monday, the third day of March A. D., 1913, at 10 o'clock in the forenoon, to act on the following articles, to wit:

Art. 1st. To choose a Moderator to preside at said meeting.

Art. 2nd. To see if the town will vote to accept the report of the several town officers.

Art. 3rd. To choose all necessary town officers for the ensuing year.

Art. 4th. To see if the town will grant and raise such sums of money as may be necessary for the maintenance and support of schools, the poor, repairs of roads and bridges, and to defray all other town charges for the ensuing year.

Art. 5th. To see if the town will vote to maintain the Line school for the ensuing year.

Art. 6th. To see if the town will vote to maintain the Glover school for the ensuing year.

Art. 7th. To see if the town will vote to maintain the Town Farm school for the ensuing year.

Art. 8th. To see if the town will vote to have all winter road work turned on taxes.

Art. 9th. To see if the town will vote to maintain the Mountain school for the ensuing year.

Art. 10th. To see if the town will vote to buy an iron safe or box to be placed in the Town Hall in which to deposit all valuable records and books not needed in transacting the business of the town,

Art. 11th. To see if the town will vote to unite with Sumner in purchasing an iron bridge (Sumner concurring) to replace one of the wooden bridges between the two towns and raise money for the same.

Art. 12th. To see if the town will vote to choose a collector of taxes and fix his compensation.

Art. 13th. To see if the town will vote to grant a discount or levy an interest on taxes, and if so, to fix the dates and amounts.

Art. 14th. To see if the town will vote "yes" or "no" upon the adoption of the provisions of Chapter 112 of the Public Laws of Maine, for the year 1907, as amended by Chapter 69 Public Laws of 1909, relating to the appropriation of money necessary to entitle the town to State aid for highways for the year 1913.

Art. 15th. To see if the town will raise and appropriate in addition to the amounts regularly raised and appropriated for the care of ways, highways and bridges, the sum of \$400, being the maximum amount which the town is allowed to raise, under the provisions of Chapter 112 of the Public Laws of Maine for the year 1907, as amended by Chapter 69, Public Laws of 1909.

Art. 16th. To see if the town will vote to cancel all the over draws in the several accounts, (with the exception of the school accounts), from the general fund.

Art. 17th. To transact any other business that may legally come before said meeting.

The Selectmen will be in session for the purpose of revising the list of voters at the Town Hall at 9 o'clock in the forenoon of the day of said meeting.

Given under our hands at Hartford, this 10th day of February, A. D., 1913.

B. F. GLOVER,	}	<i>Selectmen. of Hartford.</i>
EZRA KEENE,		
EDMON BRYANT,		

ONE pleasant thing about our business is the satisfaction we get from the satisfaction we give. Our customers go away satisfied; if the satisfaction doesn't last we want them to come back and tell us so. In suits, we'll show you blue serges, brown and gray worsteds and cassimeres, young men's or older men's styles, they are all here. We'll fit you exactly; and guarantee your satisfaction. Our boys' clothing meets the needs of economical parents. We have a nice assortment.

Our furnishing stock is
complete at all times;
new shirts, new under-
wear, new hosiery.

Report of the Superintendent of Schools

TO THE SCHOOL COMMITTEE OF HARTFORD:

In accordance with the law of the state I submit this report: The school, as well as the home, must attend to the creation of right habits and by suggestion, advice and example, not only try to form right habits, but to drive out the wrong and substitute the right.

The finest product of the school is the person who has profited most by his acquisition of useful knowledge and in his ability to form correct judgments.

Our schools have, during the winter term, been badly broken by sickness. The Whiting and Center schools closing early on account of mumps and measles.

In nearly all cases, Hartford has been given a loyal, intelligent service by her teachers. I regret that I cannot pronounce all of the terms successful ones. In a few cases inexperience and poor judgment hindered the best service.

Your Superintendent is of the opinion that ability and long service should be recognized by a place on the salary schedule, in keeping with the service rendered.

OUR HIGH SCHOOL PUPILS.

The interest of the Hartford parents in the higher education of their children is shown by the attendance of ten pupils in the Buckfield High School. Nearly all of our boys and girls have excellent records for scholarship and deportment. The splendid showing made by these children tell the story of a good home training and of the ambition of the pupils.

REPAIRS.

With two exceptions our school property is in good repair. The building in the Town Farm District needs painting, and a new woodshed with closets should be built before another term of school is opened. The Whiting School House needs shingling, and inside repairs. I desire to call the attention of the Committee to the fact that the children of this school have no play-ground. I feel that every school, no matter how small, should have a playground, and the children taught to respect the property rights of others. It is, however, contrary to the law of child nature to refrain from play because for some reason, some of their forefathers neglected to buy a school lot. I desire to recommend the purchase of [at least one-half acre near the school buildings for a playground.

CONVEYANCE.

I think the decision of the Committee to furnish conveyance only during the winter months a wise one.

A town of Hartford's resources needs every dollar to secure better teachers, and to bring the length of the school year to a thirty-two week standard.

I wish to explain the item of D. J. Chamberlain's conveyance charge. As you are aware Mr. Chamberlain's former home was some distance from the school and in the year 1912 and 13 the town paid him one hundred thirty-five dollars for conveyance. The school committee arranged with him to move nearer the school-house for a consideration of fifty dollars, this transaction saved the town eighty-five dollars on this conveyance route.

REPORT TO THE UNION DISTRICT.

In taking up the work of another man in the middle of the year, I have tried to keep all the good things of our school system and increase the power and efficiency of the work from term to term.

I desire to call the attention of the several committees to three sources of waste or weakness in our school system:

First, the attempt to carry on the work without a definite plan, involving a great waste of the pupil's time in repeating subject matter with each change of teacher, and the omission of many important subjects by young or poorly prepared teachers.

Second, the lack of globes, maps and reference books has for years been a hindrance to successful work.

Third, the absence of an active progressive interest in our school work has in some sections resulted in an indifference that must be met by a live public spirit.

It has been the privilege of your superintendent to compile, after consultations with his teachers and reference to some progressive courses of study now in use in different towns of New England, a course of study for the Elementary Schools of this Union District. This course has been printed and placed in the hands of our teachers.

We have a modern, up-to-date course of study, suggestive and strong enough to keep our schools busy for a number of years to meet all of its requirements.

The work of each year in each subject is clearly outlined and set forth.

Our teachers deserve great credit for the loyal, tactful manner with which they accepted the change and adjusted their work to meet the demands of the new outline.

Our schools are fairly well equipped with text books and with three exceptions in Buckfield and one in Hartford have globes.

In nearly all of our schools we need more black-boards, wall maps and reference books. Imagine the crude attempts to teach geography and history for many years in some of our oldest schools without these aids.

This year we have organized a Parent Teacher Association in Buckfield and the Granges of Hebron and North Buckfield have taken a fine interest in the schools and manifested a desire to encourage school work in many ways.

We trust that even a wider degree of interest will be shown next year.

I wish to urge the several towns of this Union District to increase the length of the school year to thirty-two weeks.

We must send the country boy and girl into the active life work to compete with the village boy and girl, who usually have the advantage of better teachers and superior school-room equipments. It is thought by the educational leaders that the city child needs from thirty-six to forty weeks per year.

Why not give the country child every advantage that we can afford?

Teacher's meetings have been held in each town to discuss the Course of Study and a Union District meeting was held, with the teachers of Sumner as invited guests, Jan. 9, 1914.

I wish to express my gratitude for kindness shown to me and mine by many citizens of the District, to acknowledge the help and many courtesies extended to me by your former Superintendent, Mr Sturtevant, to thank the members of the several committees for advice, support and encouragement.

Respectfully submitted,

FLORENT WHITMORE, Superintendent.
